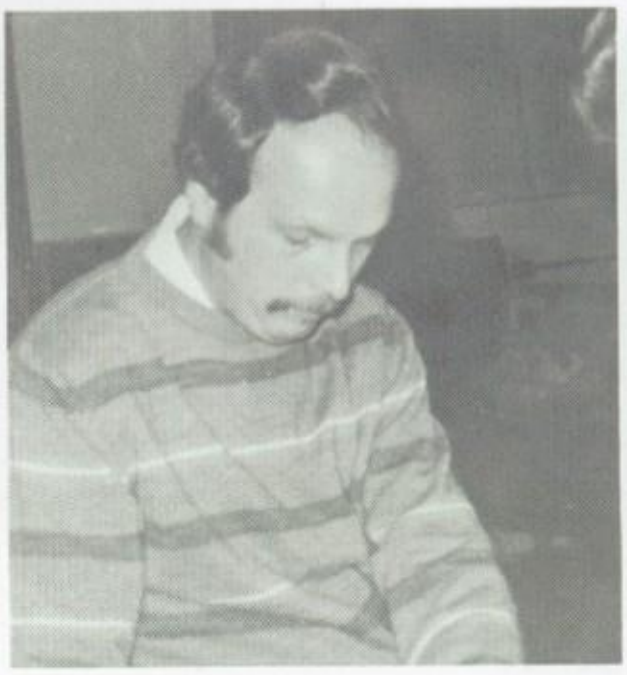
DEDICATION

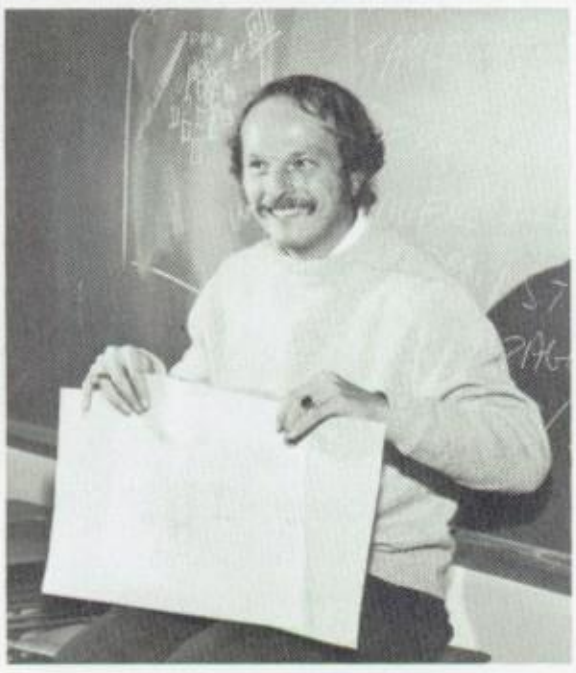


"For of those whom much is given, much is required. And when at some further date the high court of history sits in judgement on each of us, recording whether in our brief span of service we fulfilled our responsibilities to the state, our success or failure, in whatever office we hold, will be measured by the answers to four questions: First, were we truly men of courage . . . Second, were we truly men of judgement . . . Third, were we truly men of integrity . . . Finally, were we truly men of dedication." -AUTHOR UNKNOWN

If there is one man who typifies all of these qualities, it is Mr. Pitcher. He was always willing to spend the extra time to go out of his way to help us, even if we could have helped ourselves. Those who were unable to have Mr. Pitcher in the classroom lost out on more than industrial learning. His, at times, tough grades taught us to be accurate and follow directions explicitly. The sometimes nearly impossible deadlines taught us responsibility. When one begins something, he or she should finish on time and not do a haphazard job merely to make up for procrastination or lack of appetence.

Mr. Pitcher has been the yearbook advisor now for the past two years. This can be one of the most, if not the most, time-consuming of all clubs and activities. He devotes all of his spare time to the yearbook, either directing personnel or doing the work himself. All the clubs could benefit from having such a man as Mr. Pitcher at the head of their helm.

On behalf of the Class of 1987, we would like to dedicate this yearbook to Mr. Raymond Pitcher. We'll never forget you, "turkey."



HHS'S FOREIGN EXCHANGE STUDENT

It was a tough decision. Part of me wanted very much to stay in the United States and enjoy being a Senior at Herkimer High School. However, I also realized that spending a year as a foreign exchange student was a wonderful opportunity. As much as I miss all of you, I have no regrets that I chose to go to Finland and take advantage of such a special experience.

I am meeting terrific, interesting people. I am finding new, exciting challenges. This is a year of adventures, and learning, and fun. The ability to tell all of the Finns with whom I come into contact about the great people I know back home—especially at HHS—has enabled to bring a little bit of my life in the USA to Finland.

I wish you the best of luck and success in the future. Remember: once-in-a-lifetime experiences come around only once. Make the most of them.

Love from Finland,

IRENE BASLOE

Dear Friends In Herkimer,

When I made up my mind to come to America, I needed lots of courage. It was so far away from my home city of Sappro, on Hokkaido in Japan, that it frightened me. When I arrived here, I was afraid that I would make mistakes because the customs are different. I thought that it would be difficult for me to communicate, but everyone here in Herkimer has been friendly to me and helped me very much. The friends that I've made here have been one of the best things about my experience in the United States. Since I've been here, I've enjoyed participating on the tennis team, the ski team, and the softball team.

I want to thank my friends for all of the good times that we shared, my teachers for helping me, my host families for their hospitality, and the Rotary for sponsoring me to come to the United States. This has been a wonderful year for me and I'll never forget Herkimer! I don't want to say "Sayonara" to any of you! Until we meet again . . . . . .

Love,

Kei Watarai

Kei Watarai

Amigos,

Staying here in Herkimer was like a dream come true. Here, I saw and learned so many things. I had the opportunity to be a member of the ski team. Training was very hard, but lots of fun. I especially, too, enjoyed the changing colors of Autumn. I loved the oranges, reds, and yellows which we don't have where I come from in Chihuahua, Mexico. Another thing that I had never done before was carve a pumpkin into a jack-o-lantern. A holiday that I never celebrated before was Thanksgiving, which I learned the meaning of and ate too much.

I would like to thank everyone who helped me --- my teachers for their patience, my friends for their kindness, my host family for their support, and the people of the YES Organization for bringing me here. All of them helped to make this year an experience that I will never forget.

Love,

Footlighters II production

'Oklahoma' to be presented

HERKIMER — "Oklahoma," one of the most popular musical shows in American theatrical history, will be presented March 19-21 by the Footlighters II of Herkimer High School.

This is the show that first brought together the team of Richard Rodgers and Oscar Hammerstein 2d, who subsequently wrote such other hits as "Carousel," "South Pacific," "The King and I" and "The Sound of Music." Based on a play by Lynn Riggs called "Green Grow the Lilacs" - which was an affectionate recollection of the author's childhood near Claremore, Oklahoma, before it was admitted to statehood and was still called Indian Territory - "Oklahoma!" ran for five years and two months during its premiere when it closed in 1948.

In addition, the show was tourned by professional companies for a total of eleven years, running for more than four years alone in London, with comparably successful productions in every major city in Europe, South America, Australia and South Africa.

A romantic tale of the prairies in the early years of the present century - when cowboys were being supplanted by farmers "Oklahoma!" recounts the story of the courtship of two pretty farm-girls by their cowboy swains, despite the rivalry of two other men, an itinerant peddler and a sour-tempered hired-hand.

All the celebrated songs written by Rodgers and Hammerstein for "Oklahoma!" will be heard in the Footlighters II presentation: "Oh, What a Beautiful Mornin'," "The Surrey With the Fringe on Top," "People Will Say We're in Love" and the title song.

"These and the other exultant and magical songs of the show," wrote Brooks Atkinson, drama critic of the NY Times, when "Oklahoma!" opened a return engagement in New York eight years after its first engagement, "have now become classics not merely because they have been sung so often. They are classics because they are romantically true, and gloriously tuneful."

In the Footlighters II production here, Steven Lore will have the part of Curley, the ardent and optimistic cowboy, who promises his sweetheart to take her to a barn dance in "The Surrey With the Fringe on Top." "Tammy Trumbauer will be in the role of his girl, Laurie, who adjures him in song, "Don't throw bouquets at me, don't sigh and gaze at me," lest "people will say we're in love."

Anne Krenichyn will play Ado Annie, the girl who "can't say no" and James Fiorentino will portray her suitor, Will Parker, who reports tunefully after a trip to the Big City that "everything's up to date in Kansas City." Michael Fritts (Ali Hakim) will be seen as the comically slippery Persian peddler, Paul Reilley (Jud) as the menacing villian of a hired-hand and Barbara O'Brien (Aunt Ellen) as the heroine's wise aunt. These leads will be supported by a cast of 20 singers and dancers.

Kathleen Kissane-Benedict is directing the production, with Doris Yager, staging the marrative ballets that are on integral part of "Oklahoma!" Leight Harder is the vocal director and the conductor is Kathy Gaeta. Set construction is under the direction of Andrew Kelchner and Maryann Frye.

The 1985-86 Girl's Softball season was a successful one. Herkimer ended up 6-4 in the CVC, and 8-5 overall. We took 3rd place in the league. For the 1st time in 10 years, we qualified for the Section III tournament. We lost in the first round, which was disappointing. Three girls made the CVC All-Star team, and one made Honorable Mention.

Every year the season usually comes down to the Herkimer-Ilion game. This year was no exception. With the winner Domebound, the game was expected to be a donnybrook. Either team deserved to win; unfortunately, we fell short 30-26. We ended the season on an up-note, winning the last two games and finishing with a 6-2 record. Of course, our season could not have been successful without Coach McMahon. Thanks Coach! All-League selections were: Offense: Kevin Moynihan, Tightend; Chad Riesel, Tackle; Bob VanValkenburg, Quarterback (Honorable Mention). Defense: Dave Carney, Halfback; David Kirkpatrick, Tackle; Charlie Walz, Linebacker (Honorable Mention).

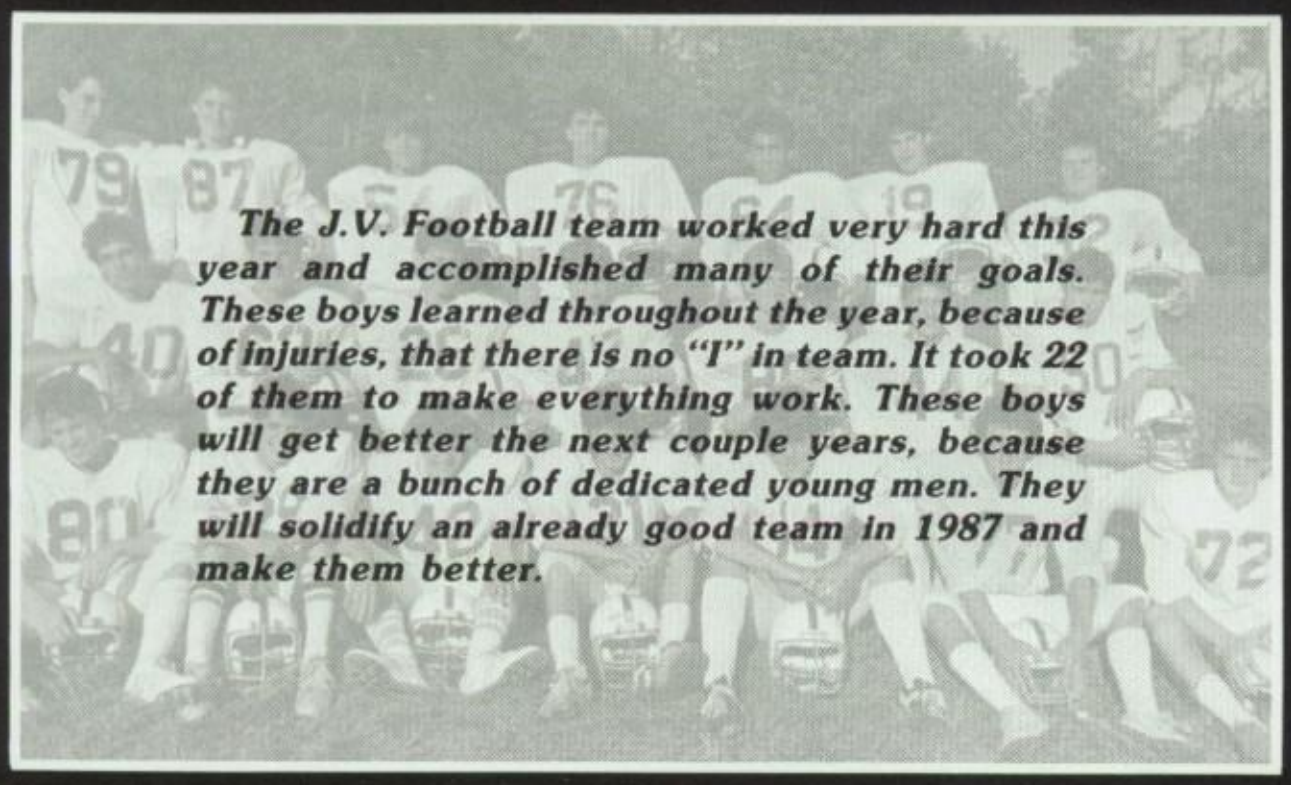
JV FOOTBALL



The J.V. Football team worked very hard this year and accomplished many of their goals. These boys learned throughout the year, because of injuries, that there is no "I" in team. It took 22 of them to make everything work. These boys will get better the next couple years, because they are a bunch of dedicated young men. They will solidify an already good team in 1987 and make them better.

TENNIS

The Girl's Tennis Team improved their record over the 1986 season. The play of Kei Watari, an exchange student from Japan, proved to be the surprise of the season. Kei played 3rd single with a record of 6 wins and 1 loss. The only senior on the squad was Sharon Tamburrino, who had a learned season.

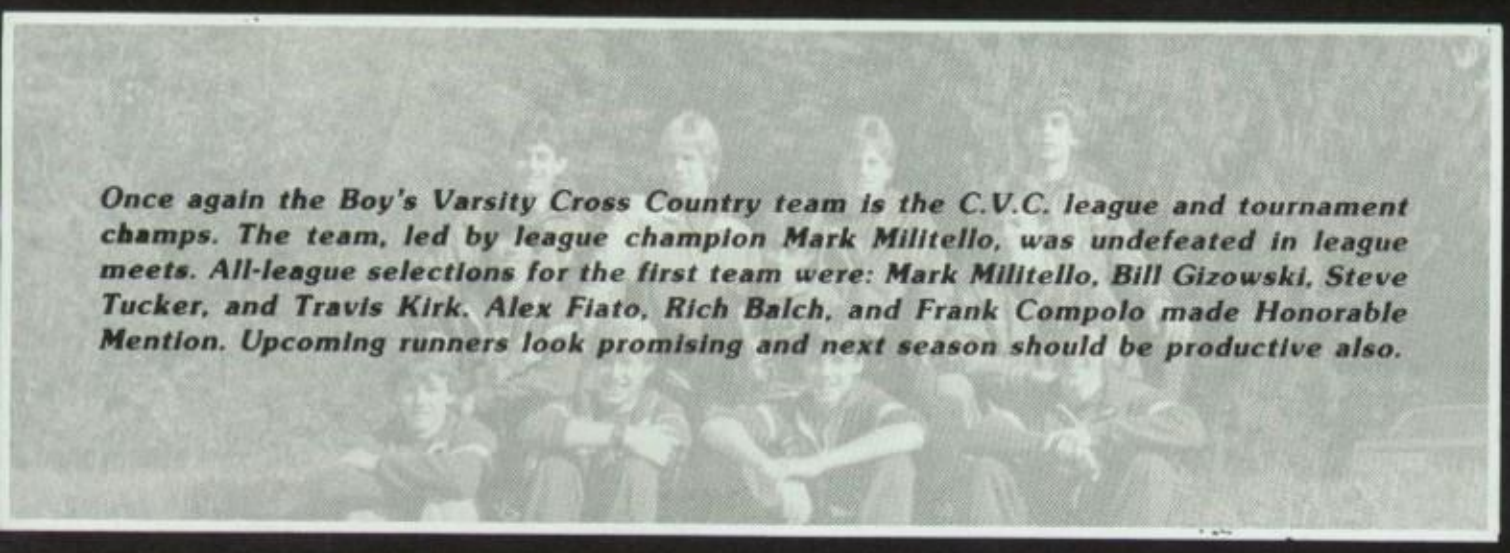
CROSS COUNTRY



Once again the Boy's Varsity Cross Country team is the C.V.C. league and tournament champs. The team, led by league champion Mark Militello, was undefeated in league meets. All-league selections for the first team were: Mark Militello, Bill Gizowski, Steve Tucker, and Travis Kirk. Alex Fiato, Rich Balch, and Frank Compolo made Honorable Mention. Upcoming runners look promising and next season should be productive also.

The Boy's Bowling team had a very disappointing season. The team could not seem to get together and knock down the pins. They hope for an improvement next year, even though they will be losing four Seniors. They placed 3rd in the CVC and 4th in the league.

The Girl's Bowling team was the CVC Champs for the 3rd time. Missy Costello was named to the CVC All-League Team for the 3rd year in a row. She also had the highest average in the league with 166. Angie Herringshaw was named to the second team. In a Dual Meet season, Herkimer scored 32½ points while Frankfort-Schuyler only scored 24 points. Herkimer was the CVC Champ with 2195 pins to 2nd place JKK's 2147 pins. They hope to place high in the Sectionals on March 7th.

The Varsity Basketball season was productive, but, due to the tough teams we played, the record did not reflect this. Both the coach and the players learned a great deal and, although we had an 11-10 record, we were respected throughout the league. Our league record was 7-3.

The J.V. Basketball season of 1986-87 proved to be near perfection. The team recorded a record of 20-0, 15-5, or something like that. Under the guidance of ex-Herkimer basketball star, John Campagna, the team scored and soared to remarkable heights. The team was led by leading scorers Brian Moynihan, Travis Kirk, and - Oh, of course - Bob Langdon. The season was highlighted by near wins in Little Falls, Ilion, and JFK.

The Varsity Boys' Volleyball team had an improved season this year, coming in second in the league. They had an overall record of 9-3. The boys worked hard to improve their game. Key players throughout the season were Ron Honka, Bill Gizowski, and Mike Miller.

The J.V. team also had a great record this season. They lost only one game and tied one. That's not bad, considering they played 12 games. The key J.V. players were Charlie Walz, Mike Streeter, and Tom Aceto.

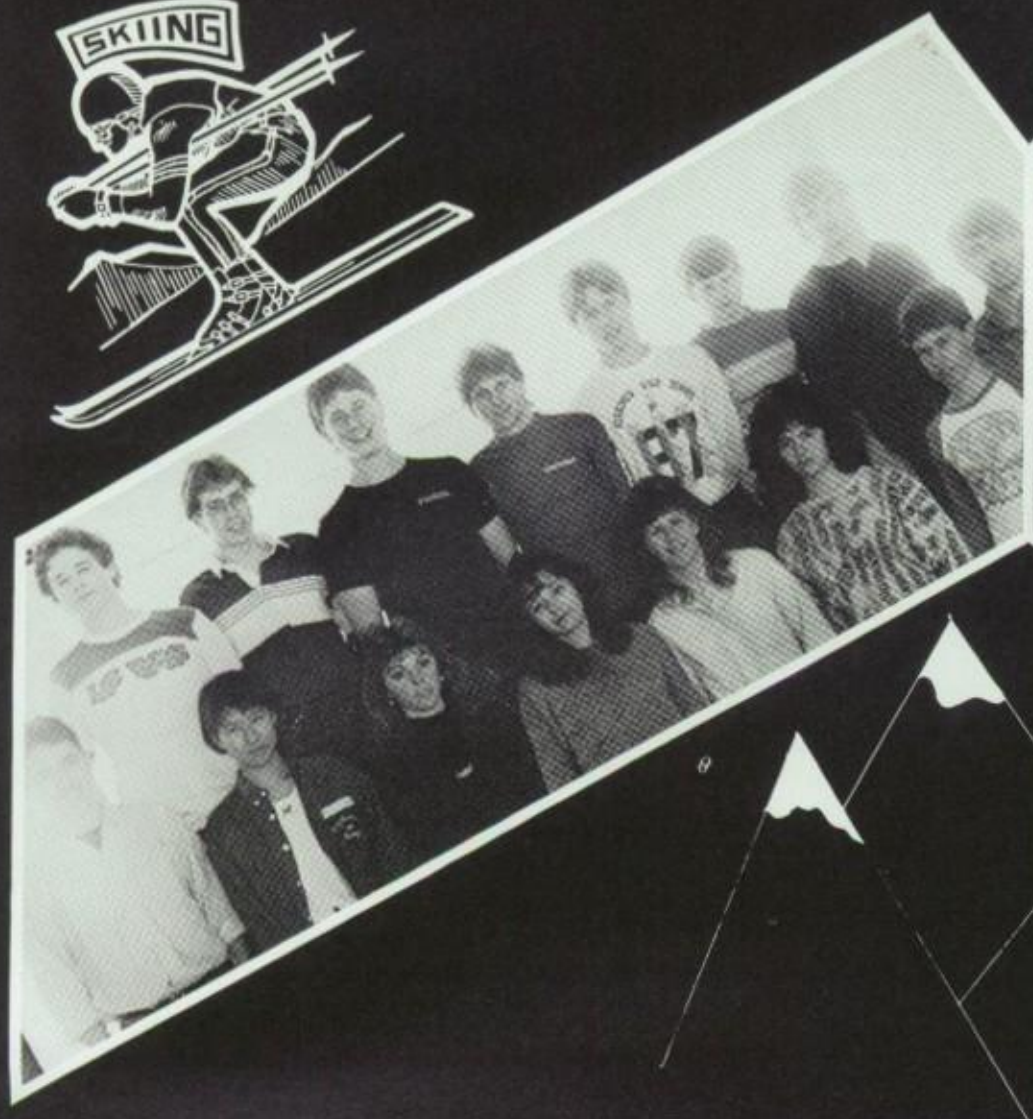
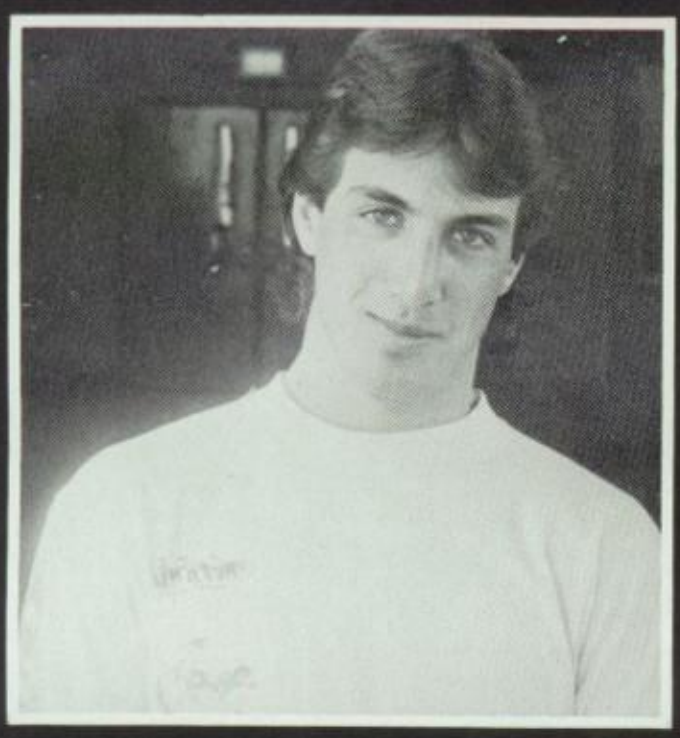
SENIORS: J. Smith, B. Gizowski, R. Honka, B. VanValkenberg, C. Walz, M. Miller.



Coach Mitchell



The 1986-87 Ski Team had a good season this year. Coach Mitchell was back at the reins, coaching the boys to finish 3rd and the girls 4th out of 10 teams. Bruce Stoffolano had a great year and made it to the States. It was the young team's first year on the snow. They had a difficult time because of the change to skating and change of skiing to Mr. Vanhoenburg. Next year the team will be more seasoned and have more experience, and they hope to climb even higher.

There's more to John Hancock than life insurance.

One of our greatest contributions to life is giving you more time to live.

Over the years you've come to expect John Hancock to help provide a future for your family. What you haven't expected is getting more time for the things you really want to do. But we can also give you that.

By offering you a wide range of financial services and products, we* can save you the irreplaceable time you'd lose seeking help from many different sources.

Our services and products include financial and tax planning, mutual funds, money market funds, IRA's, auto and home reinsurance, group life and health plans, plus corporate pension and profit-sharing management. We even offer capital equipment financing and leasing.

If you'd like to spend more time living instead of worrying about how to spend your money, talk to us today.
